It was therefore directed in the Govt reply to the race brief that "a copy of the race register of occupiers should be obtained by the Investigating Officer from the race brief & should form part of the record submitted to Govt under rule 28" contained in Govt no 2074-83 dt 2/8/01. No doubt such copies will not be required in all the cases invariably. They will be required only for cases in which claims have to be admitted & the extent of the right has to be settled. Such cases may be few & far between. But the discretion may not in several instances be correctly exercised. The rule was therefore made general.

No. 3 Dated, Bangalore 2nd July 1908

From

The Superintendent of Inam
Settlements in Mysore

To

The Secretary to the Government
of Mysore, General and Revenue
Departments

Sir,

I have the honor to bring to the kind notice of Government that requisitions for copies of Inam Registers are being received almost every day from the Muzrai Secretary, the Excise Commissioner and the Deputy Commissioners of Districts. The last two officers require copies for the settlement of the Inamdar's claim to the Toddy Revenue, as ordered by Government in their Pro. No. 305-14 Exc. 7. 11-01 dated 10th October 1903. The necessity for a full copy does not seem apparent. Some of the Inam Registers

Registers contain voluminous portions of other matters, such as the claims of parties to the Inam etc. ~~etera~~, which have been detailed at full length and which have no bearing on the Inamdar's claim to the Toddy revenue. To copy one of such registers, it takes 2 and sometimes 3 days. This work has increased to such an extent as to prejudice the bonafide work of the office. I, therefore, think that only copies of such portions, as appertain to the Excise Revenue may be furnished. This will facilitate the work in the Department in not being required to copy out a lot of other matter unconnected with the Toddy revenue. Or, a full copy of the Inam Register may be obtained by the Inamdars, on payment of fees etc. ~~etera~~, as per rules, and produced before the Investigating officer of the Excise Revenue. If either of the above noted suggestions should meet with the approval of Government, I beg that
